Generating Impact in Nebraska

MAKE A STATEMENT

The Nebraska State
College System generates
impact and fuels
Nebraska's economy by:

Providing accessible, affordable
education to more than
8,000 students.

Contributing over \$400 million
annually in economic impact, an 8:1
return on investment.

Graduating students who choose to
remain in rural Nebraska to teach,
work, and serve.

A New Generation in Nebraska

MAKE A STATEMENT

The Nebraska State
College System prepares
a new generation of
students for the future:

47% of Nebraska State College
System students are
first-generation.

Over 50,000 students have
graduated from the Nebraska
State Colleges.

Graduates become Nebraska's
teachers, lawyers, doctors,
entrepreneurs, and more.

Empowering Change in Nebraska **MAKE A STATEMENT**

At Chadron State, Peru State, and Wayne State, our students are making a statement by:

Engaging in experiential learning opportunities and service learning projects.

Gaining hands-on work experience through rewarding internships and field experiences.

Volunteering for organizations and movements that align with their passions and skills.

For more information contact the Nebraska State College System at 402.471.2505 | jjorges@nscs.edu

"Wayne State allows for quality education at a fair price. Without this institution and the scholarships it has awarded me, I would not be able to achieve my dream of attending medical school. I plan to benefit Nebraska with my education by becoming a physician that practices medicine in rural areas."

JADEN MOORE

Building Knowledge in Nebraska **MAKE A STATEMENT**

The Nebraska State College System brings valuable knowledge to the entire state by:

Developing strategic partnerships for legal studies, healthcare, and public health programs to recruit talent to rural areas.

Embracing our roots to provide excellent teachers for Nebraska's next generation.

Building educational centers like the Rangeland Complex and Center for Applied Technology to address workforce needs in the state.
