BOARD POLICY

Upon recommendation of the College administration and the approval of the Board, the right is reserved to require as many students, men or women, as it may be considered practicable, to reside in College residence halls or housing. A student must be at least seventeen (17) years of age to reside in College residence halls or housing during the fall, spring, and summer terms. This provision does not pertain to guests to the campus staying in the halls for a short term visit or camp.

Residence halls will be open for occupancy at least one (1) day prior to classes commencing for any regular academic period and provisions for housing after the completion of any final examination for students who have extenuating circumstances.

The Colleges are authorized to establish specific housing regulations. (See Board Policy 9011 "Residence Hall; Students, Contracts, Room Reservation Processing Fee")
